Memories . . . light the corners of my mind

*Misty water-
colored memories*

*of the way
we were.*

*Scattered
pictures . . .*

*of the smiles
we left behind,*

*Smiles we gave
to one another . . .*

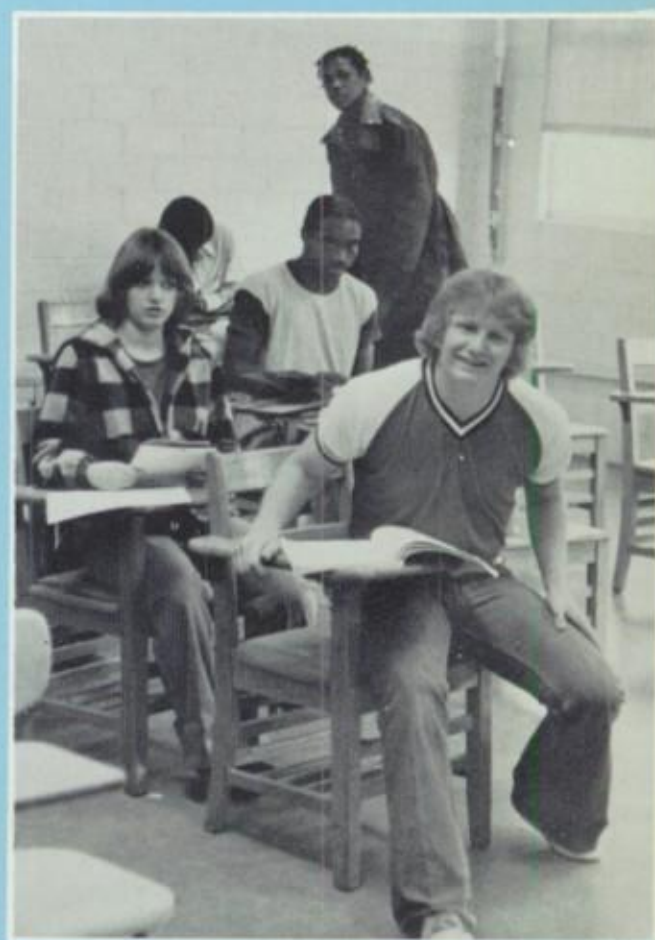

*. . . for the way
we were*

*Can it
be that
it was*

all so simple then, or

*has time
rewritten
every line?*

*If we had
the chance*

*to do
it all
again,*

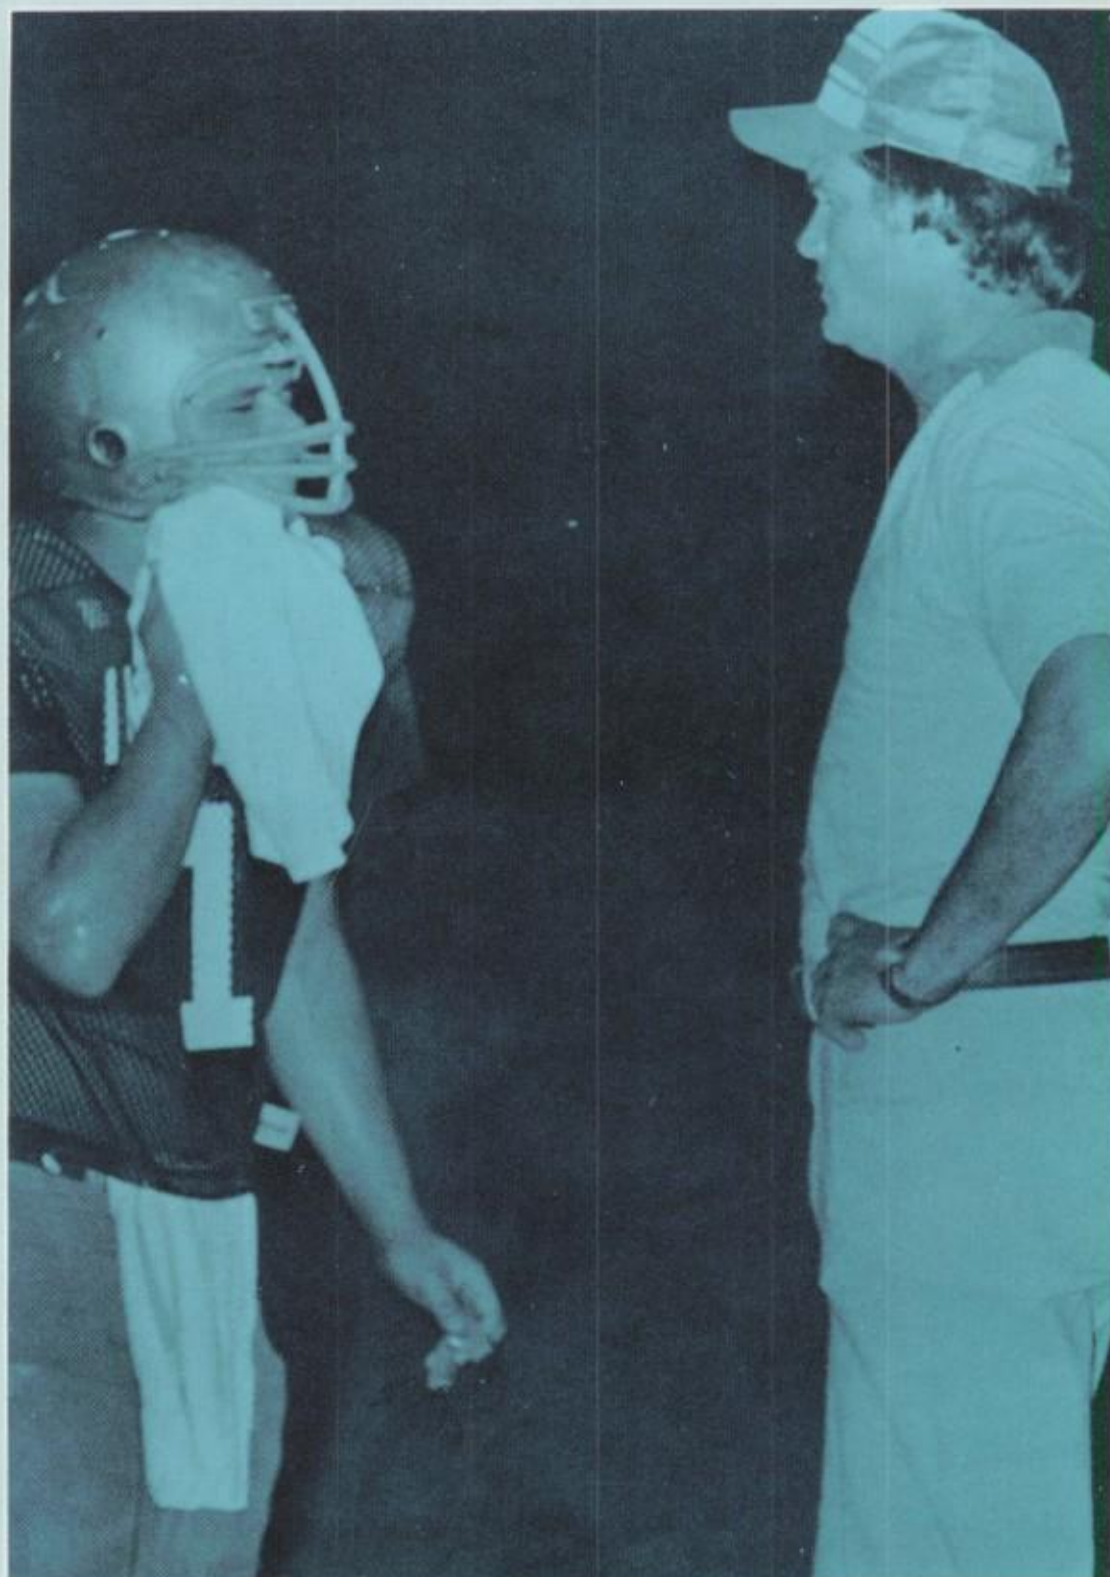

*tell me,
would we?
Could we?*

*Memories may be
beautiful*

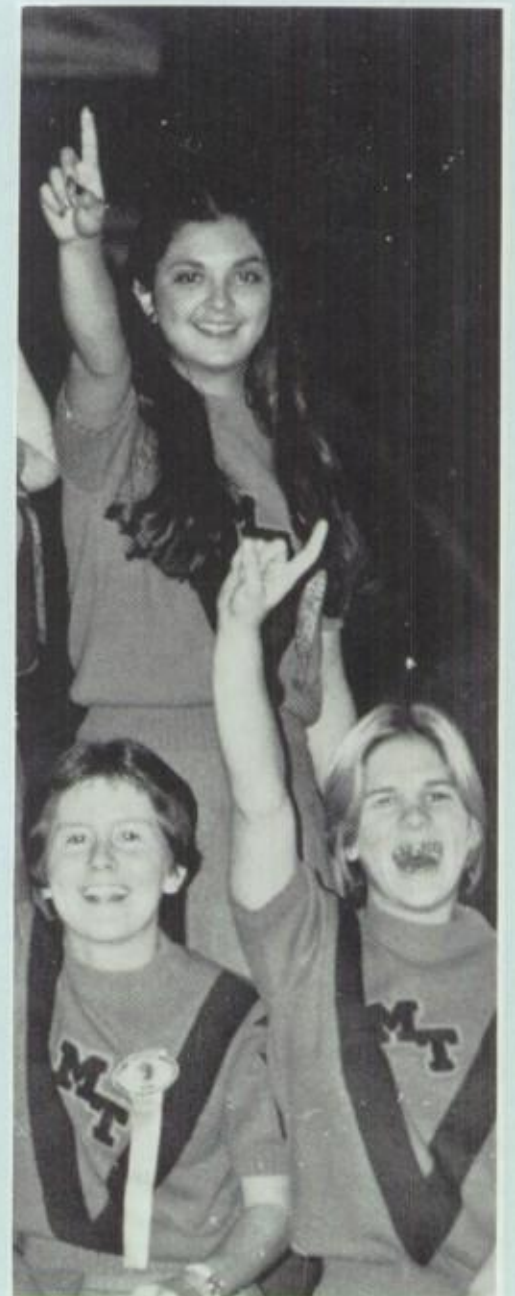

*and yet,
what's too painful*

*to remember, we
simply choose to
forget.*

*So it's the laughter
we will remember
whenever we remember*

THE WAY WE WERE.

Snow . . .

Floods . . .

FORECAST OF SNOW

Each year, students at Marked Tree High School look forward to the winter season. It brings many exciting and varied activities. This year the holidays were cold and windy with the disappointment of no snow; but as the new year progressed, the disappointment turned into turbulent joys as the snow fell. The spirits lifted with the falling snow, and the students at MTHS enjoyed all of their favorite winter outdoor sports.

January 2 brought the first "snow holiday" which was quickly followed by six more days in which students and teachers alike enjoyed a brief intermission from the busy schedule of school life. More snow was soon to come and began "munching" on our spring break . . .

The Marked Tree High School Choral Department is made up of singers from each of the upper six grades.

The youngest choirs are the 7-8 grade male chorus and the 7-8 grade girls' chorus. The singers in these choirs build music theory, music history, and vocal technique foundations necessary to later years in choir as well as giving their first concerts and entering festivals for adjudication.

The Mixed Chorus is made up of 9th graders who are exposed to four part male-female singing and attend Jr. High festivals as an advanced choir.

Girls Ensemble is a small group formed from 10, 11, and 12 grade singers who explore a variety of music written especially for female voices.

The Concert Choir is a composite of advanced singers who have been auditioned and have shown musical talent in the younger choirs. The Concert Choir has a rich heritage of fine choral singing and endeavors to maintain its reputation by representing the school and community at region and state festivals and tours to nearby states.

MTHS Band

BAND 78-79

The Marked Tree High School Band began this year with summer Practices that led to a tremendous marching season. The height of the season was the performance at the ASU Marching Festival where the band received "Excellent" ratings.

With the close of the football season, the MTHS Marching Indians became the MTHS Concert Band. They move inside to rest their feet and change their style of music from marching to concert. The move inside brings with them their sPirit, musicianship, and endurance to practice long hours which is shown by the receiving of excellent ratings at both regional and state contests.

Art Department

The MTHS Art Department has had an eventful year. It began with an art show in which the students exhibited oil paintings of Marked Tree buildings and surroundings. The exhibit was held at the local bank.

In February, art students traveled to Southland Mall in Memphis where they viewed art work of students from five states. Seven of our students were among those receiving awards.

Marked Tree students also exhibited their work in the Young Arkansas Artist exhibit in Little Rock and the Annual Young Artist exhibit held at Arkansas State University.

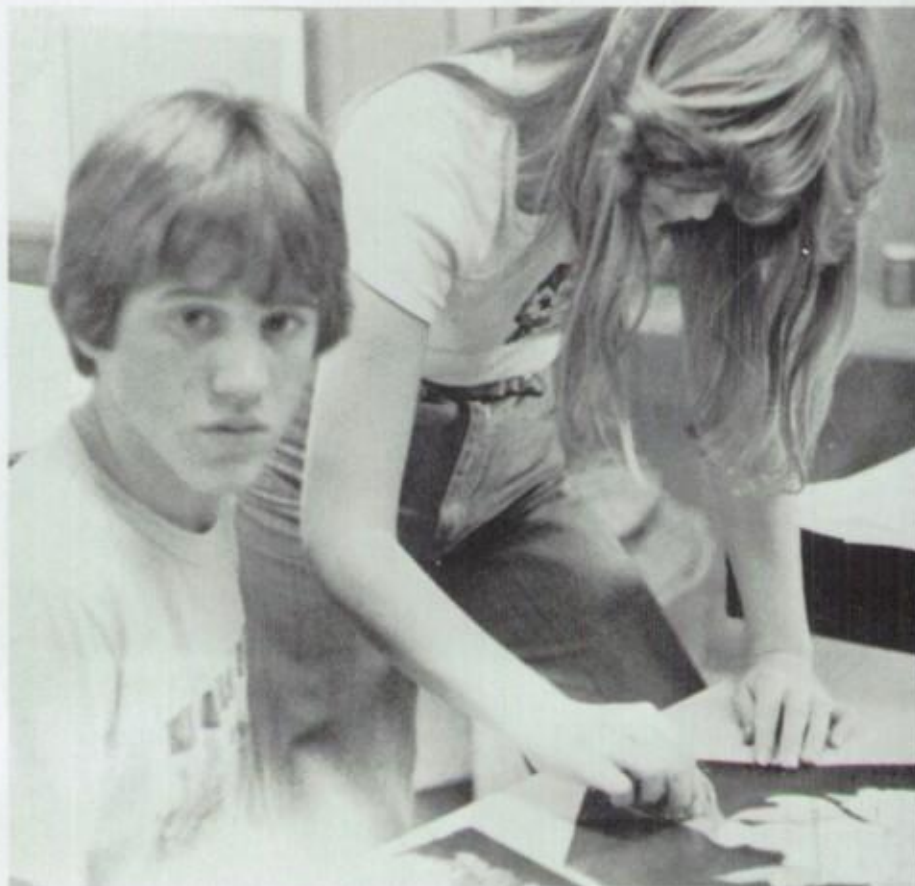

It has been a busy year for the art department working on school and community projects, but the recognition and appreciation shown the department has made it all worthwhile.

Molding clay is a very enjoyable form of art.

Literary Magazine Staff

LEAVES, the high school literary magazine, is a collection of original poetry and prose written by students in both the Middle School and High School. It has been published yearly since 1971 and has always been compiled by a student editorial staff. This year's staff is made up of members of the Creative Writing class, under the direction of Mr. Mike Bowman. A copy of each publication is hard-bound and placed in the library for future reference.

Left to Right: Betty Bartlett, Annie Smith, Linda Hitson, Sharon Willis, Sandee Walker, Mr. Bowman

Library Club

The Library Club is composed of students interested in learning the procedures and organization of libraries and their functions. The students volunteer their services and work during their study hall period. Membership is limited to students actively engaged in library assistance and those who have worked in the past, but for some reason are not able to continue. These students provide a real service to their school and gain valuable knowledge and experience at the same time.

Left to Right: Sherry Price, Judy Carroll, Sherry Harbison, Joanie Taylor, Sandee Walker, Sharon Hosman

Student Council

The MTHS Student Council was elected to the district secretary position at the regional meetings. We were fortunate to be able to attend both of these meetings during the year.

The Council was also busy here at home. It sponsored several dances, several assemblies, and, of course, sponsored the homecoming festivities.

The Council's purpose, to establish a working relationship between teacher and student, was fulfilled this year with the help of the entire school.

Mrs. Sandra Latham, student council sponsor, takes time to pose with her husband.

Mrs. Montie Calvert

The main purpose of the Spanish Club is to become proficient enough in the language to use it on a daily basis.

During summer vacation several Spanish Club members accompanied by their sponsor, Mrs. Montie Calvert, traveled to Mexico. They gained first hand knowledge of the language and soon were bargaining better than the natives.

After a study in Spanish foods, the club traveled to West Memphis for a dinner meeting at Pancho's.

The end of the year was highlighted with a Spring Fiesta which included food, fun and contests.

National Honor Society

*Induction
Ceremony*

Back row: Beth Sumpter, David Smith, Lee Shinabery, Jerry Miller, Rhonda Martin, Rynett Ritter, Shirley Brown, Front row: Patricia Bartle, Janet Swan, Mr. Bowman, Amanda Stanley, Lori Beck, Annie Smith

The National Honor Society is an organization designed to recognize academic achievement. Its stated purposes are, "to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy leadership and to encourage the development of character in all students."

Business Club

The Business Club's purposes are: (1) to develop competent and aggressive business leadership, (2) learn to participate and cooperate with others and (3) create interest in business courses.

The club consists of members who are in the 11th and 12th grade, who have previously taken typing and two other business courses. Most of the members plan to go into the line of business in the future.

The club provides programs during football season, tickets for various organizations and the typing of the Literary Leaves Magazine.

Standing: John Walker Seated, Left to Right, Regina Hargo, Mrs. Willoughby, Pam Lane, Annette Harris, Sharon Snell, Mr. Stark, Brenda Wright, Rhonda Martin

Annual Staff Finance Committee

The Annual Finance Committee was organized for the purpose of providing money to be used by the Annual staff in preparation for this year's annual.

The group is made up of volunteer students who have proved their expertise in promotion and sales.

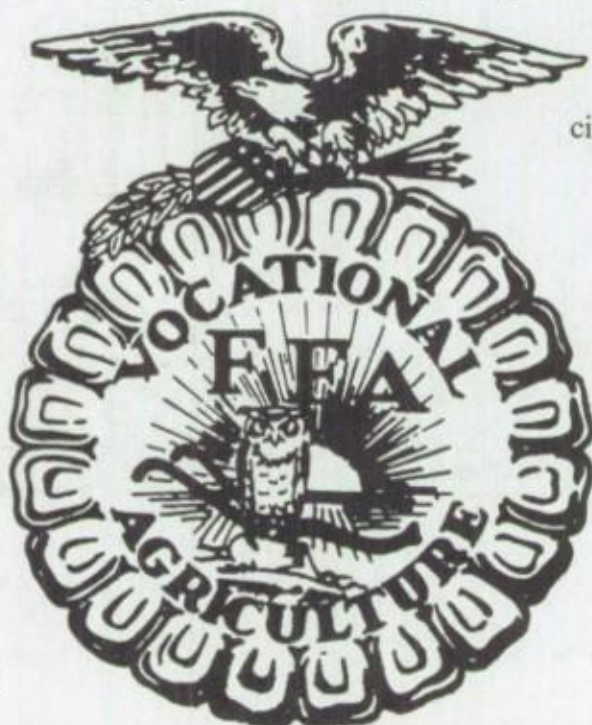

The committee sold advertising ads and took advance carbook orders; making it possible for MTHS to have 1979 Pow Wow.

Circle Left to Right: Lori Beck, Jana Bankston, Paula Stafford, Mrs. Willoughby, Rhonda Martin, Janet Hughes Seated: Danny Way, Annette Harris

Jerry Miller—President, David Smith—Vice President, Paul Meeks—Treasurer, Joe Frans—Historian, Jeff Kegley—Sentinel, Terry Morgan—Student Advisor, Bill Foster—Reporter, David Nash—Secretary

The primary aim of the F.F.A. is the development of agricultural leadership, cooperation, a citizenship.

There are several purposes of the F.F.A.:

- (1) to develop competent, aggressive, rural agricultural leadership,
- (2) to strengthen the confidence of students of vocational agriculture in themselves and their work,
- (3) to create and nurture a love of country life,
- (4) to encourage members to improve their home and surroundings,
- (5) to participate in worthy undertakings for the improvement of agriculture,
- (6) to develop character, train for useful citizenship, and foster patriotism,
- (7) to participate in cooperative effort.

ACTIVITIES

District 3-AA

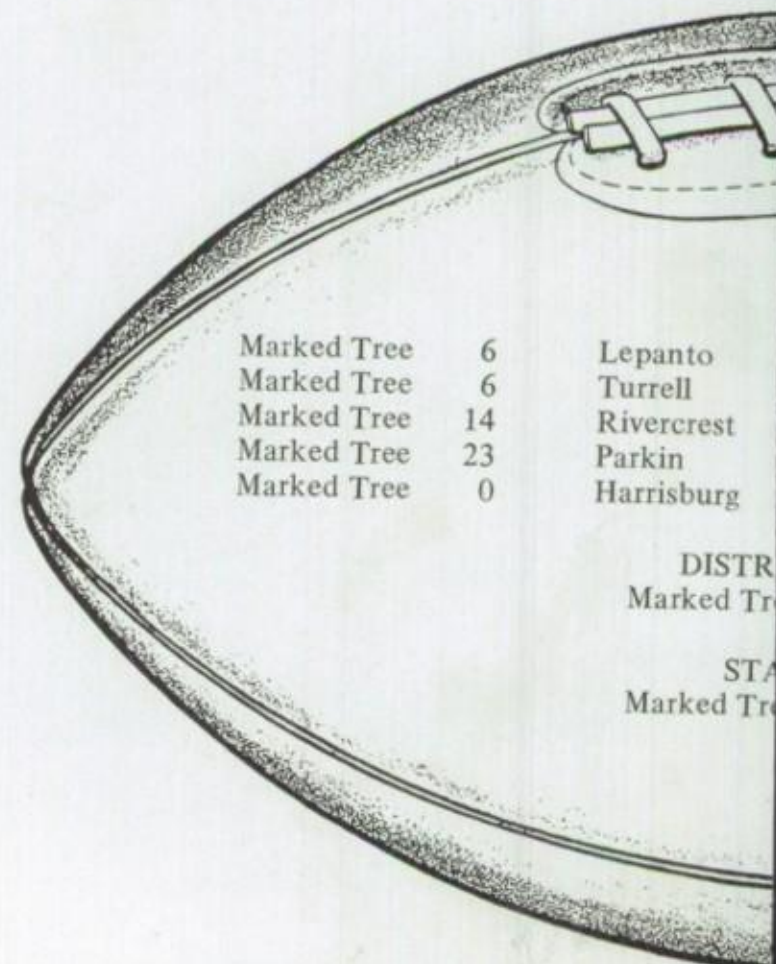

Many valuable things besides victorious games came about during Marked Tree's football season to make it successful. Team work, along with hard practice resulted in a cooperative attitude and behind-the-scene experience. The Indians were victorious in this way. They were also champions in the 3-AA South district. Coach Wallin's leadership and the enthusiastic Indian fans created an atmosphere of excitement. Sadness was cast over Marked Tree when the Indians were defeated by Lepanto in the first game of the season, but the sadness soon faded when the Indians broke loose and overcame Rivercrest. From then forward, enthusiasm grew even more as the team got closer to their district championship.

First row: Ricky McCullar, Franklin Mitchell, J. D. Bodry, Calvin McDaniel, Bobby Green, Ricky Hutchins, Andre Watson, Rex Gill, Jeffree Adams, David Hatley, Michael Blagg, Coach Thompson. Fourth row: B. Adams, Stanley Price.

South Champions

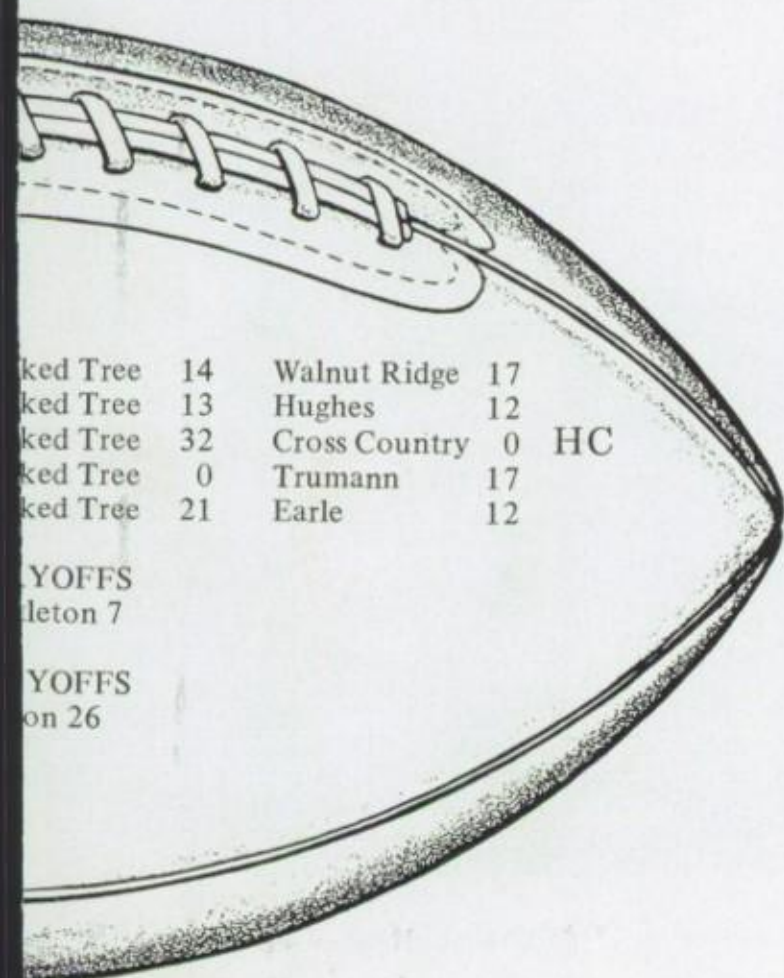

The Indians surprised all by winning the 3-AA South district championship after a failing 1-9 season the year before. The Marked Tree team came with enthusiasm and excitement to the playoffs where the Indians won the district championship with a thrilling 9-7 finish over Nettleton. Marked Tree trailed by one point and after several closing second attempts for the goal line, the Indians kicked a 37 yard field goal to win the game.

The Indians then headed into the state playoffs against the number one team in the state. Burton proved themselves to be just as superior as the writers had ranked them. After defeating Marked Tree 26-0, they went on to capture the state championship.

Marked Tree fans will never forget the exciting year of Indian football.

1979 was a great year for basketball at Marked Tree. In an interview at the beginning of the season, Coach Simmons said he hoped the winning atmosphere would carry over from the football season into the basketball season. His hope came to be reality as the boys finished with a 19-9 season record.

The season started out kind of slow. Three of five starters played football and had a basketball game ten days after the final football game. Games that could have been won with ease gave the Indians trouble.

The team was jinxed this year. They just could not defeat Parkin even though they poured their hearts into all three games they played. Parkin defeated Marked Tree by eleven points the first game, by four in the second, and by three in the finals of the district tournament.

The Indians went to the State Tournament for the first time in three years. The team demolished Corning in the first round, but suffered a heartbreaking loss to Marvell in the second round. Had Marked Tree advanced to the finals, they would have met none other than Parkin.

The Indians received the Class AA State Sportsmanship Trophy at the conclusion of the tournament. And, for the first time in many years placed a man on the state team. Abraham Smith was selected by the team coaches at the state tournament.

The winning year at Marked Tree High School took no exception with the girls basketball team. The girls had their best year since the program was started again in Marked Tree some three years ago.

The girls finished the season with an 18-9 record. The girls finished runner-up in the district and earned the right to compete in the state tournament at West Fork High School. It was a long, hard trip to state, and the girls lost to Charleston in the first round. Nevertheless, the girls got there, and this is something the team as well as the school will always be proud of.

January 21, 1979 Fire

This building served as an elementary school from its beginning in 1937 until 1968. It included a gymnasium with a stage which was used by organizations of the entire school community.

When a building such as this burns, it involves more than the mere burning of fine lumber, the bending and warping of steel girders, and the crumbling of masonry.

Something intangible burns with it—or does it? It just may be that memories, traditions, and love for one's first school, like one's birth place is indestructible.

For forty-three years this multi-purpose building served the community well. Those of us who went to school there, had children there, and taught there, smile as we recall the Tom Thumb Weddings, the Christmas Fantasies in action and song, the beautiful May Day Festivals, operettas such as the "Nut Cracker Suite" for the elementary children and "The Mikado" for the high school. Most capable directors of choral music band, and drama provided through their students cultural entertainment for the citizens of the community.

The sixth grade graduation was one of the most beautiful and meaningful ceremonies held in the gymnasium. This building was the home of the famous Marked Tree Squaws who won one hundred and twenty-three games straight and state championships too numerous to mention. Marked Tree's nationally famous Girls' Ensemble (a choral group) participated in many programs which were staged in the gym.

Juniors and Seniors looked forward to the Junior-Senior Banquet and Prom which were held in the gym and until the new Normandy Cafetorium was built. The Junior Class decorated the gym and hired the orchestra each year. The gymnasium was more elaborately decorated each year and the bands were louder.

One of the many famous personalities who appeared there was Bill Page, who at that time was with Lawrence Welk. Bill conducted a two-day clinic in the gym for invited bands of this area. He was famous for his proficiency on many different musical instruments.

It seems that the real appreciation of this building was during the time it was an elementary school. Many capable and dedicated teachers helped children get a good start toward their varied careers. They learned not only from their text materials; they were also taught the important things that made them become good citizens.

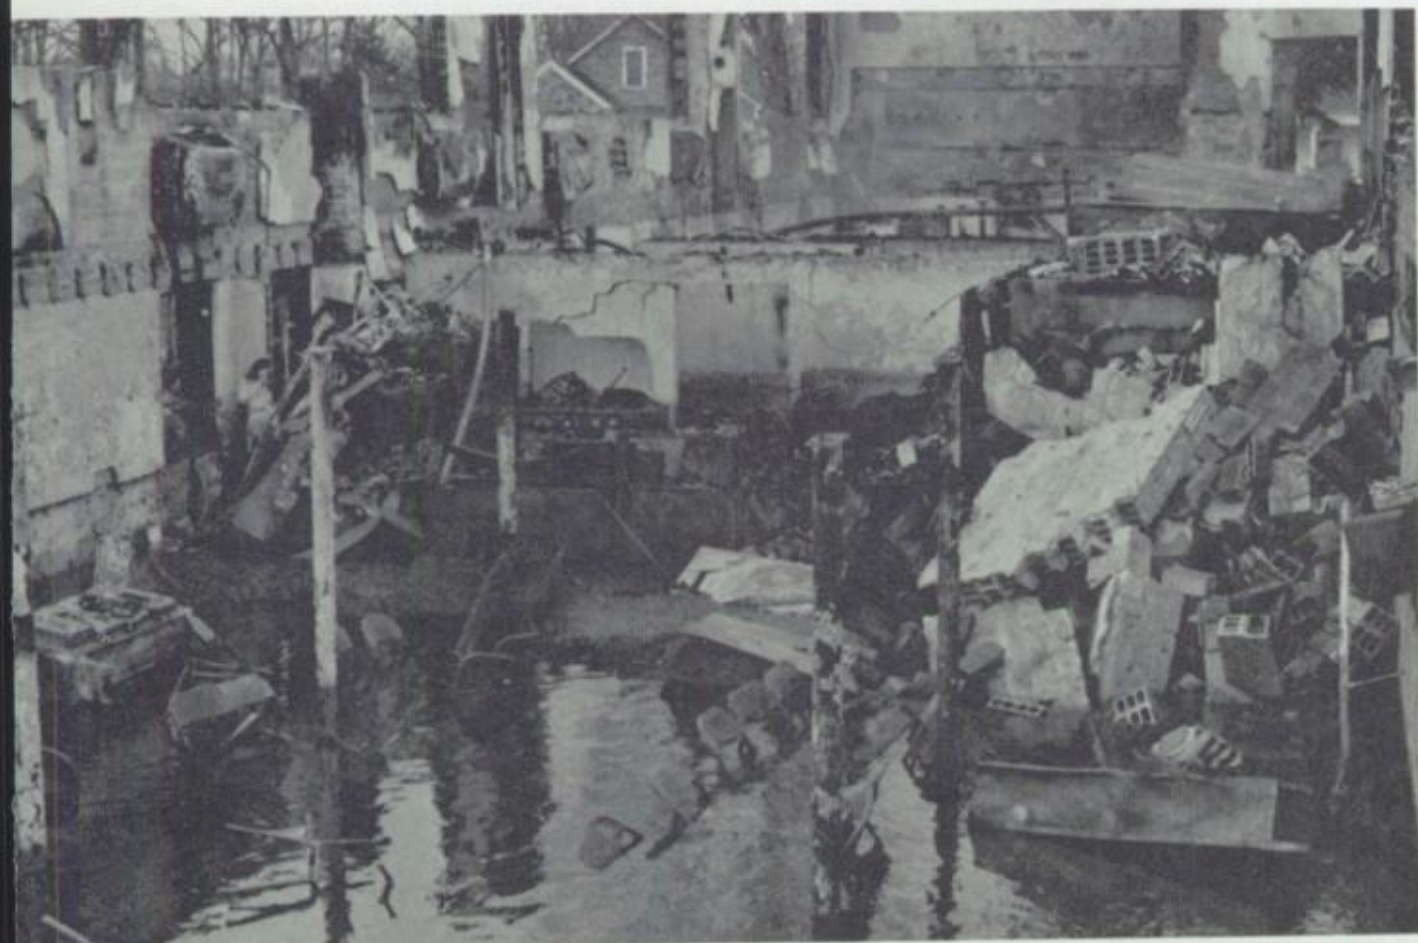

The building which burned was at one time one of the most attractive in the state. The grounds were beautifully landscaped, and although playground space was limited, the area eight feet deep on the front and sides of the building known as "the terrace" was "hallowed" ground. Children soon learned that it was not wise to play there.

Other schools will be built, but not likely on this site. There will be only memories of happy little children who loved their school and the teachers, and of the gym which was the hub of their school activities.

Who would want a brick from that pile of rubbish? Hundreds of students in far away places who would like to have a physical memento will have to be satisfied with only a memory.

The Marked Tree Junior High Science Club has as its goal giving students interested in Science an opportunity to increase their knowledge of Science through lectures, projects and field trips.

Several lectures have been presented to the club members:

1. "Drug Abuse"
2. "Plants and Their Uses"
3. "Eye and Ear Care"

Projects:

1. Senses Awareness Week
2. Drug Abuse Posters
3. Flower garden on campus.

Field trips:

The club has taken one field trip this year. Members went by bus with their sponsors and several guests to the Pink Palace Museum and Planetarium.

The Science Club has approximately 20 members. To become a member and remain a member of the club, students must have a B average in Science and must be a member of a regular science class at the time of membership.

Student Council

The Student Council is a cooperative enterprise involving and giving the students a representative voice.

Service is the ambition of every member. They work with the student body as well as the administration and faculty. They are civic minded and work on community projects. Service is their goal.

Row 1: Sponsor: Stephanie Broadway, Keith Johnson, Carolyn Armstrong, Ann Rhoads, Sherry Carter, Sponsor: Linda Hallmark. Row 2: Jeff Brewart, Sandra Harbison, Susan Sumpter, Lynn Teague, Wayne Clemons, Jack Brown. Row 3: Darlene Brown, Claudette Baker, Angie Cox, Willie Tobar, Kellye Hubbard, Jan Rhoads.

Beta Club

The Beta Club was started at Marked Tree Middle School in 1970. This organization is designed to promote a high academic level among the students.

The main duties of the organization is to publish the school newspaper and to create and emphasize school spirit.

The members are to exemplify good moral standards on and off campus.

Only students with a "B" average or better are eligible for membership. They must also maintain this average during the year.

They have various fund raising projects for the purpose of purchasing film strips.

The Beta Club is sponsored by Mr. Collier.

The End of an Era

The memories of the Middle School will be in the hearts and minds of many former students for years to come. The real feelings of loss belong to some 300 students and faculty who were presently occupying the building. They not only lost their school but many personal items too.

The transition of moving into the crowded high school building was not easy, but with the cooperation of the school, community, faculty and students, the move was made with unbelievable success.

The students and faculty of Marked Tree Middle School will always remember the year of 1979.

A Night to Remember

Memories . . . light the corners

of my mind

*Misty watered-colored
memories of the way
we were*

Scattered pictures . . .

Mrs. Shirlee Francis, Sponsor

Recorded in this book are memories of a great year at Marked Tree High School . . . memories that hopefully will never be forgotten. The Annual Staff hopes that we will be a part of these memories and hope that our annual will help bring back the memories of Marked Tree High School in years to come.

Many hours have been put in working with the pictures and layouts. It has not been easy. We hope our many long hours of effort show in our work.

Our special thanks to Mr. E. L. Rogers and to the Marked Tree Publishing Co. for their assistance during the year. Thanks also to our great sponsor, Mrs. Shirlee Francis, for making our job so much easier. They have helped us in many ways.

A great year has come to an end. A challenge is made to students of next year in hopes of continual success at Marked Tree High School.

Trey Stafford
